7	My child feels safe at school.	42	0	0	100%

Comments	Response
I cannot praise Early Years at West Moor enough. My child has had a wonderful experience.	
As we try to do a lot of reading at home it would be great if the books could be changed more regularly if the child choses to as my daughter was reluctant to read the same book after several days	Our RWI scheme does encourage re-reading books for fluency and accuracy. Our policy is to change reading books weekly but we will look at providing a twice weekly reading book change for those children that have fluency.
The regular messages/reminders about different school activities are very useful and appreciated. It has been clear that you all work hard for the children.	
My child has loved her time in Reception. Thank you so much to all of the teachers	
All the staff have been so friendly and helpful. They make our child feel so happy and safe whilst learning and making good progress.	
Curriculums are organized very well, and all teachers are fantastic. My son went to only 3 hrs a day, but he has learned lots!	
Thank you to all the staff for the amazing year **** has had! He's had the opportunity to do some lovely activities, thanks to the hard work that you all put in!	
I am delighted with how well ****'s reception year has gone. The team have perfectly bridged the gap from nursery to school, helping to grow my son into the confident, curious and bright boy he has become ready for the next year. The teaching assistants and teachers are kind, fun, gentle, supportive, patient and enthusiastic. They're a real credit to the school and the wider community.	
Overall my Granddaughter has had a lovely year in reception class .The teachers have been very supportive with her in every aspect Well done to them all Thankyou	
Great early years team!	
Reception has been the most wonderful year at school. The opportunities have been excellent and the teaching staff and support staff have made a real positive impact on the children. It will be sad to move up but exciting for what lies ahead	
More outdoor learning please.	All Foundation Stage children have access to the outdoor learning

	opportunities every day, rain or shine, with a range of activities planned to enhance the provision on a weekly basis. We also have an exciting new initiative to further develop our Woodland Garden and staff liaising with a Forest School specialist to broaden children's experiences further.
Staff have been absolutely amazing !	
**** is loving nursery and he looks forward to going everyday	
Possibly more updates on seesaw. We don't get much information about what he has been doing that day compared to other photos posted.	In response to workload reform outlined in the Statutory Early years foundation stage, in 2021/22 we made alterations to how many photographs were taken and posted of individual children,
