A member of staff on the door will take any messages to pass on to class teachers.

School Clubs

When outside providers deliver clubs, such as Football, Drama and Fun Little Foodies, they will dismiss children to their adult. Usual

on Tuesday why we might need to lock the school down (meaning no entry or exit) This will be done in a child sensitive way and focus on events that have happened near North Tyneside schools. A car on fire close to a school releasing smoke, a horse loose near to school and pollutants in the air. Mrs Trundley will then demonstrate the sound to lock the school down. Internal lockdown will simply involve closing windows and blinds and preventing access outdoors. The drill will last a few minutes and then the sound will indicate that it is over. Different levels of lockdown will of course be practised over the year and school will inform parents of the variation to practice.

Book Week

Fun for All

This is an event this week and the theme this year is Read Your Way. We are really always trying different ways to engage children in the love of reading real books/texts (particularly reluctant readers or children who view reading as boring and prefer to be on screens). We would like to ask for your help in donating or loaning us any of the following: comics, comic style books, annuals, Guinness Book of Records, Ripley's Believe it or Not, graphic novels. Donations can be dropped off at the office. If books are on loan please can this be made clear at drop off and clearly named. Thank you. Please see diary dates for specific activities.

Parent Teacher Consultations

You will receive a letter this week to complete, to request an appointment to meet with your child's class teacher. At this meeting you can look at your child's books and the focus is to discuss their progress.

School Lunches

We regret to inform you that 36 children did not have a meal pre-ordered today. As a result, there were limited food options available for them. Some of these children have specific medical or dietary needs, which makes pre-ordering even more crucial. Additionally, it has come to our attention that some children were unkind to the cook, demanding certain food options. This behaviour is unacceptable and will not be tolerated. We kindly request that parents ensure their child's meal is ordered in advance to avoid such issues in the future. Your cooperation is greatly appreciated. Thank you for your understanding and support.
