up for half term

03/03/2025 -

Return to school and

Book Week

04-10/02/2025 -

Book Fair in school

Uniform reminder

Expectations

Uniform guidelines are detailed on the school website. Whilst we do not insist that uniform should have the school logo, we do expect that it follows the guidelines. Black or grey trousers/skirts. White polo top and royal blue jumper/cardigan. Shoes or boots should be black. No jewellery should be worn, with the exception of small stud earrings or an analogue watch.

Attendance

Every session lost in school is missed learning. We recognise that children get poorly, and it is important that parents let us know of any absence. We have clear procedures for monitoring and tackling absence and poor attendance. If office staff have had no reason from you for your child's absence, they will

Children return to school

School Meals

There is expected to be an increase in school meal prices. School will share details next week.

contact you. It is essential that we are able to confirm that parents and child/ren are safe, and to have the clarity for absence. Mrs Prosperini monitors lates and levels of absence. If your child's attendance drops below 90% we will share a North Tyneside letter. This is a supportive measure to bring the level of attendance to your attention and to give you the opportunity to make improvements. If no improvements are made, or if attendance worsens, then a meeting will be scheduled with Mrs Trundle. School wants to work with parents for the best outcomes for our children.

Book Week

Fun Filled Week

This year the theme for Book Week is Read Your Way. The theme focuses upon removing barriers to children's reading and allowing them the freedom to read what they want and where they want.

We will begin the week with a book themed assembly, there will also be a creative day filled with literacy and art activities, Grandparents-Share-A- Book Day, World Book Day (dress up as a book character) and much more. Any parents or carers who would like to come in at the end of a school day to read a story to the class you would be very welcome just let your child's class teacher know so we can organise times.

Numbers' Day

On Friday 7th February we will be taking part in a day full of maths related activities in support of the NSPCC. The aim is to promote a positive, can-do attitude to maths. On this day please come dressed in anything number related and bring a donation of £1. School Council will collect donations on the yard.

Site Security

The school site is locked during the day for safeguarding. Any scooters or bikes locked on site during this time should be safe, but they are left at your own risk. The site is locked after school, but we recommend that scooters and bikes are taken home overnight. We have had a bike theft, resulting from intentional damage to a gate lock.
