Details will follow with regards to events in school

Yard

We politely ask that parents and carers stand well back from the class

Welcome

So Lovely to See You All!

Welcome back, after what was hopefully an enjoyable summer break with your children and family. We are looking forward to working with you all to ensure a productive first half term.

Our Queen

Sadness

After a 70 year reign and dedication to our country, it is with sadness that we mourn the loss of our Queen. We of course addressed this sensitively in a whole school assembly, led by Mrs Trundle. We discussed what we understood by family and also considered that families come in many different forms. We then discussed that we are a Westmoor Family who care for one another. After re-visiting our core values of Truth, Opportunity and Celebration, we acknowledged the death of our Queen who worked tirelessly up until the age of 96 and through photographs celebrated her special times with her family.

Communication

We pride ourselves in having positive relationships with parents and carers through strong communication links. Our staff are available to answer queries on the yard before and after school. Office staff can answer general enquires or you may wish to leave a message for a member of staff to return your call. Alternatively for sensitive issues, a face to face appointment may be required, again organised by the office team. SeeSaw is our tool for providing you with information, reminders and an insight into the education we provide for your child. Staff are unable to respond to queries during teaching time. Please respect teachers work life balance and the time outside of school hours that they need to dedicate to their families.

lines as children gather to walk into school

Parking

Thank you for parking safely in our outer car or choosing to park in Lidl. We have had concerns from residents with regards to parking across drives and causing access issues. Please park respectfully.

Clubs

Sporting Opportunities

We aim to offer our sporting after school clubs as soon as possible. We are sure you appreciate that this takes a little time to organise. All information will be sent to parents on Monday 12th September via School Gateway and clubs will commence week beginning Monday 19th September.

Mr Doyle's "Star Strike Soccer" is an independent provider and parents and carers should have already received information via School Gateway. This club is for Years 1-5 and starts on Tuesday 13th September.

Lunch/Snack/Water

Healthy School

Children are allowed to bring a water bottle to school daily, please make sure that it has your child's name on. Healthy snacks are provided for children up to year 2. We encourage that any snacks brought into school are fruit/ vegetable based. Children who bring a packed lunch to school, will be encouraged to bring all rubbish and uneaten food home as it is important that you can see what has not been eaten. Please remember that a free school meal is provided for all children in Reception and Year 1 and 2. There is an exciting new menu and you can view this here [46861f_ca3d4e3d826140b0bef8c0f7e40da805.pdf \(westmoorprimary.co.uk\)](https://www.westmoorprimary.co.uk/46861f_ca3d4e3d826140b0bef8c0f7e40da805.pdf) on our school website.

Behaviour

Celebrate!

The children have returned to school eager to learn and showing respect for one another and adults in school. We of course, are keen for this to continue and will be reinforcing school rules regularly. If you have concerns with regards to behaviour or friendship issues, please see the class teacher in the first instance.

Events in School

We are looking forward to fully reinstating events in school where we can welcome parents and carers back. Events for Autumn term will be regularly updated on the school website calendar and we will inform and remind you of events through our school newsletters and SeeSaw.

Have a lovely family weekend
