### Hello Yellow

*Supporting a charity*

We are really looking forward to taking part in #HelloYellow day on Monday 10<sup>th</sup> October this World Mental Health Day. We need to make sure that young people know that how they feel matters and they deserve to feel supported. To take part, children can wear yellow to school on Monday and take part in some fun activities to highlight mental health support. Wellbeing Champions will be collecting any donations on the yard and within school, which will go to the charity YoungMinds.

## Pupil Leaders

Through a largely

democratic process we

are delighted to

In the few weeks we have been back to school the children have learnt and practised some harvest songs. Please see the diary dates for the harvest assemblies. We welcome non-perishable food, donated to school prior to our assemblies. We will display this food and then donate it to The Bay Foodbank to support families within our local area. We appreciate that times are challenging in the current climate and are very grateful for any donations you are able to make.

## British Values Assembly

### *Discuss at Home*

Each week children participate in a current events assembly. We explore the news story, as well as considering how it makes the children feel. We locate the country on a world map and relate the story to British Values and the UN Rights of a Child. You will now regularly receive some of this information via SeeSaw, should you want to spend time discussing issues further with your child. This half term we have enjoyed assemblies on the following subjects: The new Prime Minister, who was Queen Elizabeth 2nd, the new King and the longest queue, celebrating differences, plastic free, flooding in Pakistan and most recently competition. You will also receive an online newspaper with some interesting national and international stories. We hope you find these useful and informative

## Communication

### *Gateway/SeeSaw*

General whole school information is shared with you via school gateway. Reminders and individual class messages are sent from teachers via Seesaw. Please check both systems for the most up to date information. Our website is frequently updated with diary events.
