Grandparents' Sing-along

Strictly grandparents only

We have given families the opportunity to get tickets for this annual event. We will have 300 children in the hall and cannot accommodate any more than 100 grandparents for each performance. Some children do not have grandparents, or they may live a distance from school. Children know that they will be performing for an audience, regardless of having a grandparent there. I must stress that we will not accept entry to parents - we simply cannot accommodate that amount of people. We certainly do not wish to cancel this event in the future, so please work in partnership with us to make this an enjoyable event for Grandparents.

Come and join us!

We welcome families to our annual sports day on Monday 17th July at 2pm. Access will be through the main gates only, near to the outer car park. Gates will be opened at 2pm and when parents are admitted the gates will then be locked for safety. Any adults arriving after this time will need to access via the school office, but we would appreciate if this could be avoided or kept to a minimum. Between 2pm - 3pm you will have the opportunity to watch your children participate in a range of team sporting activities. Year groups will remain on set parts of the field and parents with several children in school can move between the stations. A reminder for your child to bring a water bottle and sunhat into school and for suncream to have been applied.

Class Changeover

Monday 17th July

Your child will spend time with their new teacher and class on Monday morning. At the end of the day you are welcome to come back into school after children are dismissed in the usual way, and visit your child's new classroom and meet the class teacher.

Nice to See You!

A busy term!

It has been a delight to see parents at various events this term. Thank you to all of those parents who attended seeing is believing sessions. We have listened to your suggestions for future sessions and these will begin in the Autumn term. Lunch with your children was unbelievably well attended and we hope that you were impressed with the standard and choice of food on offer.

Reports

You will receive your child's annual report on Tuesday 18th July. Along with this is some guidance around wording used for attendance. We do not routinely have parental consultations in this term. However, if there is a significant issue from the report that you would like to discuss, please contact the school office to make an appointment.

Final Day

Our last day at school is Friday 21st July. On this day children are allowed to bring in toys. No toy weapons or electronic devices please. Uniform should be worn.

suggesting that other schools should visit to see best practice.

Winning House

The winning house is Bamburgh (yellow) and those children can wear non school uniform on Thursday 20th July
