### Safeguarding

We take our shared responsibilities to safeguard your children seriously. Thank you for working with us to collect children on time at the end of the school day. A reminder to Year 5/6 pupils who walk alone: Staff do not come onto the yard until 8.40am, so we ask that older children do not arrive any earlier than this. Staff have been a visible presence at gates from 3pm. Moving forward, staff (teachers and support staff) will be on the yard near to their entrance from 8.40am and from 3.15pm. We are mindful that some past pupils pass through our school premises and it is always a delight to see them. As with all adults or children on site, there are expectations for behaviour. For example: If anyone is on a cycle they will be asked to dismount on school site. If inappropriate language is used it will be challenged. Please approach any member of staff if you feel that

## New IT Equipment

Thank you once again for your past efforts with fundraising. We were able to purchase and install new interactive whiteboards into all classrooms. Staff and children have enjoyed exploring the endless possibilities for teaching and learning opportunities. You will be invited in at some point in the future to watch a demo lesson.

anyone on school site is behaving inappropriately. We continue to work in partnership to keep all safe.

## Parent Teacher Consultations

We will be holding our initial Parent/Teacher Consultations towards the end of this half term. Your child will bring home a letter today with the details and a space for you to suggest a suitable time. If your child does not live full time with you and you would like a consultation, please contact the school office on 643 2260. Staff work incredibly hard to try and accommodate parents and carers preferred times. However, as you can appreciate, the appointments after 3.30pm are extremely popular. If you can be at all flexible and are able to attend one of the earlier appointments we would greatly appreciate it.

## Harvest

Harvest assemblies will take place on Wednesday 25th October and Thursday 26th October at 9.00am for children in Years 1-6. The assemblies last approx 20-30mins. Parents and carers are welcome to attend. Due to the capacity in the hall, we politely ask that parents/carers only attend one of the assemblies. Any donations of food items will be greatly received and taken to The Bay Food Bank to be distributed to those in need. Information will follow regarding donations.

## Muddy Fun Run
