

Physical Education

Statement of Intent

At Westmoor Primary School the intent of our Physical Education curriculum is to provide all children with a progressive high quality provision of sport and physical activity. It is our vision for every pupil to succeed and achieve their potential and lead a physically active, healthy lifestyle. We believe that sporting activity inspires pupils to succeed and excel in physically demanding, competitive situations. Through PE, children are able to develop essential life skills and values including teamwork, fairness, resilience and respect.
