

## Thank you!

Thank you to all who attended our Harvest assemblies and for all of your generous donations. These have now been passed on to The Bay Foodbank where they were very gratefully received.

## Car Park

We have been informed by North Tyneside Council that a yellow disabled bay will be allocated next to the cross hatch area within the outer car park. We politely ask that the cross hatch area be left free for turning purposes only.

## Friends of Westmoor Primary

We are delighted to announce that we have had some parents and carers who have expressed an interest in reigniting The Friends of Westmoor group. This group is essential in terms of organising and running fund raising events for the school. The first meeting will take place **on Tuesday 8<sup>th</sup> November at 9.00am in school.** We would really welcome new members, as well as those who have been part of this group previously. Please come along if you are able, to help us make some plans for the coming year as to how funds can be raised to support and enhance your children's learning. We appreciate that many of our parents and carers have work and other commitments but even if you can't attend the meetings but can spare some time we would love to hear from you.

## Swimming

Children in Year 3 and 4 attend swimming and our school has to pay for the tuition. We have set up an account on School Gateway for those who wish to support us with a contribution of £1 per week payable in full at a cost of £29 for the year. Alternatively, children may pay £1 weekly to the class teacher.
