Safer Internet Day 2023
Want to talk about it?

E-SAFETY AT WESTMOOR PRIMARY

Click on the picture below to view the official parents/carers guide

Online safety is incredibly important and is only becoming more so. Safer Internet Day allows us to bring awareness to any concerns or risks and teach children how to stay safe online by involving them in activities where they can learn and share ways to stay safe.

UK Safer Internet Centre IWF

If you have any devices at home that your children use and you would like some support in ensuring they are safe and age appropriate, then please pop in any time to see our ICT Technician, Mr Browning, or catch Mrs Dundas on the yard, who will organise a time for you to see Mr. Browning.

This year's theme is "Want to talk about it?"
It has a focus on discussing issues and encouraging conversations about online safety both with peers and parents. It is important to raise awareness and allow these conversations so parents and children can have a better understand of the online world
