Congratulations to the KS1 and LKS2 digital leaders who represented our school at the North Tyneside Lego League. They even constructed their own medals! Photos on Seesaw.

Commando Joe's

This is an in school programme we run as part of our outdoor and adventurous/PE curriculum. All year groups have a weekly session which focuses upon team building, resilience, problem solving combined with physical activity. Mrs Thompson runs these sessions and was able to take Year 4 pupils to the showcase event where they were awarded 3 rd. place. Another fantastic achievement for our children!
