SATs

Well Done!

Year 6 SATs are now complete and the Year 2 tests will be complete this week.

Well done to all of the children for having such a positive can do attitude and for trying their very best. SATs are of course just one measure and we recognise the vast talents our children have that cannot be measured in a test, but make our school such a wonderful place to be.

Joe Wicks

Visit!

Fantastic news! We have been invited to be part of a visit by Joe Wicks to George Stephenson High School on Tuesday 23rd May. The Year 5 children will

attend and should wear PE kit on that day. The Year 5 are incredibly excited and we will share photographs from the day.

New Parents Governors

Welcome!

Congratulations to Sarah Dunn, Ben Greenwood, and Lyndsey Leavey who are our new parent Governors. Thank you to all parents/carers for your support in the voting.

KS1 Careers

After half term we will be talking to KS1 the children about different jobs and careers that are available in the community. We would like to give the children the opportunity to hear first hand about what different careers entail. If you would like to come into school to speak to KS1 children about your career, please speak to Miss Cheetham via seesaw to arrange the visit. The children (and staff!) love hearing all about the hard work that goes on in different sectors and may inspire the generation of the future to follow in your footsteps.

We really appreciate your continued support :)

OPAL Donations

The blue barrels have been placed on the yard for any of the following donations:

Plastic jugs, plastic beakers, funnels, washing up bowls, plastic tubing, plastic guttering, plastic pipes. We really appreciate any donations that you can make.

Wellbeing

We are still working hard towards renewing the Wellbeing Award for Schools. Some events that are in the pipeline include 'The Great British Bark off!' 18th-20th June (more information to follow!) and 'Moneysense' sessions across school in July.

ICT

A Huge Thank you!

In the rapidly changing world of Information Communication Technology, school has a 5 year strategic plan. The interactive whiteboards in classrooms are coming to the end of their life and we are finding it increasingly difficult to source replacement parts as they are obsolete. After very careful research,

OPAL Play Days

We are excited to welcome parents and Carers to our OPAL play days. You can play alongside your children from 2pm on the specified dates. Please see dates in the diary list above.

Safety on bikes and scooters

Any children cycling or scooting to school should be wearing a helmet. We shall reinforce this with children at school.

Sports Day

This is planned for the Monday afternoon in the final week of school, when hopefully we shall have good weather. We will confirm the start time nearer to the event.

Mrs Dundas trialled a new style interactive board in Beech class. We will be replacing all classroom boards. This is a huge financial investment. As school budgets are becoming increasingly tight, the majority of the boards will be purchased using school fund. This consists of funds that we have raised over recent years from parental donations. In appreciation of this, we will organise drop in sessions for parents to observe teaching and learning in your child's class and see the range of opportunities on offer. These sessions will be planned for the Autumn term, when your child has settled into their new class.

Friends of Westmoor

We urgently need more parent volunteers to assist the Friends of Westmoor in Fundraising activities. We will need a group of keen individuals to plan events such as The Summer Fair. If you could spare some time, please pass your name to the office by Friday 26th May.
