Jeans for Genes Day

Celebrating Differences

In assembly today, children met their new school councillors who were elected as part of a democratic process. Well done to all children who courageously proposed themselves for this role. Their first task is to collect donations on Friday 23rd September for the charity Jeans for genes. They will be on the yard from 8.40am with their collection buckets. We suggest a donation of £1, however any amount will be gratefully received. As part of this assembly we discussed how genes are the ingredients in the recipe that makes us unique. We also explored the new range of Barbie dolls which depict vitiligo, hearing aid, prosthetic limbs and a wheelchair user. [Click here for the poster information](#) Children can wear denim or non-school uniform, but no fancy dress or onesies please.

Parental Questionnaire

Your Views Matter

On Friday we will share a link to our parental questionnaire on Survey Monkey. This will be for Year 1 to Year 6 Parents and Carers. We really would appreciate not only your selected responses but also some comments as to our school's strengths or areas for continued development. As the survey is anonymous, we shall summarise comments and share our responses on our website for all parents. We will inform you when this is ready to access. If you wish to include your name, please do so in the final comments box.
