Welcome Back!

Summer Term

It has been a delight to welcome you and your children back for the summer term. I hope that you enjoyed the precious time with them over the Easter break. Summer term is always very busy with events, and diary dates will be shared on newsletters, the website calendar and by teachers on SeeSaw.

Communication

Our main tool for communication with parents is School Gateway. You will receive school information from the office and Head Teacher via e-mail. Any class specific requests from teachers will be shared via SeeSaw along with updates regarding curriculum coverage. The new portal for booking school meals is simple to use. If you require any assistance, please do not hesitate to

summer

Friends of Westmoor

It was wonderful to see so many of you at The Easter Bingo. A huge thank you to The Friends whose efforts raised £390 in profit. This will purchase some computers for school. Thank you once again for your attendance and generosity.

Booster Year 6

Sessions will continue right up to the week before SATs. Any queries, please contact the class teacher.

get in touch. The school website has newsletters and diary on the home page as well as a range of useful information.

School Meals

Dolce

The new School Meal provider has got off to a super start with the children. We hope that you find the opportunity to book meals useful and that your child has enjoyed them. We will be seeking your views after a few weeks to pass feedback to the provider Dolce. We of course want to celebrate what is working well, but importantly want to swiftly address areas for improvement.

OPAL Play Days and non-uniform

As we are now in the summer term we hope that brighter, dryer days are coming. Once again we will invite parents in to experience OPAL play alongside their children. Dates will follow. We shall have a non-uniform day on Friday 3rd May, where we will ask children to bring an item to donate to OPAL play. This may include old pots, pans, spoons, dolls, lego, dress-up outfits.

School Field

Fingers Crossed!

There has been so much rain that the field has remained flooded. If we have little or no rain in the coming days, we hope that North Tyneside will be able to cut the grass and go ahead with the markings for sports tracks. The Local Authority have inspected the school plans to be sure that the drainage is sufficient for our school. A physical inspection of the drainage chamber will take place in the next couple of weeks to help us plan moving forward to hopefully avoid long-term loss of the field in wetter months.

Plea for Reading Books

If you are having a sort out, we would really appreciate donated books, particularly for those children who are new to free reading, so simple short stories or novels. We have lots of "Flower Fairy" books, but could benefit from books along the lines of "Wimpy Kid" and "Horrid Henry".
